

MEB Design Ltd
Chartered Architects

CONSERVATION

Our Services

MEB Design is an award-winning architectural practice employing 15 staff in 3 offices: South Bank (London), West Malling (Kent), and Oxford.

MEB Design has its own accredited in-house conservation department. Services include initial fabric surveys, specifications and oversight of repairs, cost planning, the restoration, design or development of heritage buildings - either listed Grade 1, 2* and 2, or in a Conservation Area, and new development located in the settings of the same.

From country churches to school buildings and stately homes, our work has been to sustain these building into the 21st C with appropriate uses, altering them when necessary.

Our Qualifications

Mark Eddison MA DipArch(Cantab) is a Chartered RIBA Architect 'Accredited in Building Conservation' (AABC).
